RE: Amended October Quarterly Report (07/01/2012-09/30/2012), Filed 10/24/2012

Dear Ms. Carter,

I am writing as counsel to Florida Freedom PAC (FFP) in response to the Commission's request for additional information related to several items disclosed on the committee's Amended October Quarterly Report.

The Commission inquired about independent expenditures that were disclosed as memo entries on Schedule E supporting Line 24 that do not appear on Schedule D supporting Line 10. The committee is filing a second amended report to ensure that the correct debts are disclosed.

The Commission has also suggested that the committee did not file a 48-hour notice to appropriately disclose an independent expenditure. From June 11, 2012 through Election Day, the committee received in-kind contributions from the SEIU PEA-Federal committee for canvassing activities that were independent expenditures made in support of President Obama. Initially, FFP had some difficulty obtaining the totals of these in-kind contributions that resulted in a delay in the disclosure of these initial independent expenditures. Once FFP received the correct totals, it immediately filed a 48-hour notice to update the record. All independent expenditures that resulted from the SEIU PEA-Federal in-kind contributions going forward were disclosed timely on 48 and 24-hour notices.

If you have any further questions regarding this matter, please feel free to contact me at 202-328-3500.

Very truly yours,

John Pomeranz
